

Short Stature Scotland

Dear

We would like to invite you to join our support group for people that have various medical conditions, which cause restricted growth. The aim of the group is to offer friendship, emotional support and advice to all people of short stature, their families and any interested professional bodies within an informal environment. In addition, we try to help lessen parents' apprehension of having a child with a growth condition by sharing our experiences. We endeavour to promote public awareness for increased understanding of people living with short stature.

We are asking every person/family to contribute £5 per year to cover the cost of administration. This will be reviewed as the membership increases.

Please find enclosed a Membership Form and a copy of the Constitution. Please fill in your membership form and return to: Short Stature Scotland, P.O. Box 3464, Glasgow G62 9AY.

We look forward to hearing from you.

Warmest wishes.

*Jackie Millan
